

Programme

BSG EndoBridge Programme

Alongside the main programme, a number of topics will be covered in parallel sessions across the two days. These topics include:

- Bariatrics and Anti-reflux
- IBD Endoscopy
- Endoscopy nursing
- Improving the quality of Colonoscopy
- GI Bleeds
- ERCP and EUS
- Clinical Endoscopists

EndoBridge will also feature an EndoVillage. Our leading training village will include 10 stations supported by industry, as part of a larger exhibition.
