

Dr. Anneli Poolman (publishing name Anneli Du Plessis) currently holds the position of Senior Technologist within the Division of Anatomy and is the programme lead for System Anatomy for the B.Pharm programme. She also served as coordinator and technical administrator of the Dissection Room from 2017 to 2021. Anneli recently completed her Ph.D. in Anatomy (University of Pretoria) and was awarded a Golden Key International Society merit award in 2013. She completed her B.Sc. (Hons) degree in 2014, graduating with *cum laude* at Tygerberg Medical Campus, Stellenbosch. Her community service includes victim identification at the Namibia Police National Forensic Science Institute (NPFSI). She has also spearheaded the development of a Forensic Anthropology course for the NPFSI.
