

Aerovehicles 6

Sponsorship and Exhibitor opportunities

1-3 July 2025
University of Birmingham

Overview

We are thrilled to invite you to join us as at Aerovehicles 6 that will be hosted at The Exchange, University of Birmingham, from Tuesday 1 – Thursday 3 July 2025.

Building on the success of the previous five conferences, Aerovehicles 6 continues to offer an invaluable platform for engineers and researchers to exchange innovative ideas on ground vehicle aerodynamics.

Having a presence at the conference will allow you the opportunity to promote your products and services to the attendees from both industry (manufacturers and operators of road vehicles and trains) and universities.

Organised by **David Soper, Hassan Hemida, and Mike Jesson**, Aerovehicles 6 promises to be an exciting continuation of this tradition. Keep an eye on the [official conference website](#) for further updates as details are finalised.

Conference Venue

The conference will be held at The Exchange, an impressive new venue located in the heart of Birmingham's City Centre at Centenary Square. The Exchange serves as a vibrant hub for collaboration, curiosity, and innovation, leveraging the University of Birmingham's global networks. For more details about The Exchange, click [here](#).
