Edgbaston Park Hotel  
University of Birmingham

UNIVERSITY OF  
BIRMINGHAM

### Katharine Owen

Katharine Owen is an Associate Professor and Consultant Physician at the Oxford Centre for Diabetes, Endocrinology and Metabolism. Her interests are in the identification, characterisation and clinical management of rare kinds of diabetes and in clinical care of young adults with diabetes.

She is also interested in early Type 1 diabetes and is involved in clinical trials for newly diagnosed type 1 diabetes through the UK Type 1 diabetes Immunotherapy Consortium.
