

Manuel Mayr

Manuel Mayr is the British Heart Foundation (BHF) Professor for Cardiovascular Proteomics. He graduated with distinction in Medicine from the University of Innsbruck (Austria) and subsequently moved to London to undertake a PhD, focusing on the integration of proteomics and metabolomics. After completing his PhD in 2005, he was promoted to Professor in 2011. In 2017, he was awarded a BHF Personal Chair, which he transferred to Imperial in 2023. He is Head of the NHLI Vascular Section and the Co-Director of Imperial's BHF Centre of Research Excellence.
