

Dr Noormahal Kabani

Dr Noormahal Kabani is an Intensivist and Pulmonologist based in Houston, Texas. Dr Kabani has a wealth of experience in tele-critical care, having been involved in the field since 2005. She has a deep passion for teaching and previously served as a faculty member at Aga Khan University in Karachi, Pakistan. Since 2007, Dr. Kabani has been actively involved in teaching the Fundamental Critical Care Support (FCCS) courses designed by the Society of Critical Care Medicine, where she serves as a Course Director. Her dedication to global health is evident through her leadership in FCCS courses internationally, including in Tajikistan (2022), East Africa (2023), and Pakistan (2024). Dr. Kabani is excited to continue her contributions to the field by joining Dr. Zimmerman for the upcoming FCCS course post-Congress.
