

Dr Kuven Naidu

Dr Kuven Naidu was awarded his FCP(SA) in 2009 while completing his training as a physician at the University of KwaZulu Natal. Dr Naidu started in private practice at The Glynnwood hospital in Benoni in 2011 and is a founding member of East Rand Physicians, which is a group practice of specialist physicians working in the East Rand of Johannesburg. He is also a Principal Investigator for a number of global clinical trials. Dr Naidu currently serves as a director for the Faculty of Consulting Physicians and has recently been appointed as a Senior Advisor for the Harvard University Alumni Association of South Africa (HUASA) for health projects.
