All health care professionals and pain practitioners who wish to understand the relationship between pain and sleep. Johannes Meyer Dwayne Mohr Brazlin Dorasamy	
12h00 - 12h30		CBT/ACT: changing the mind is changing the brain Helen Roome	ICU Palliation Fiona Lourens	Same but Different: Off label drug use in children Chloe van den Bosch		Michelle Baker

2024 PainSA Congress

12h30 - 13h30	Lunch break			Poster Presentations	
13h30 - 15h00	Lectures			Workshops	
Venue	Great Ilanga	East Ilanga	North Ilanga	Suite 1	Meeting Room (Ground floor)
	Regenerative medicine Ruben Naidoo	Biomarkers and pain assessment Tarin Penberthy	Personalised palliative paincare for children Asma Salloo	Free papers 13h30 - 13h45 Does adversity in childhood alter nociceptive signalling in adulthood? A replication and extension analysis - Gill Bedwell 13h45 - 14h00 Designing a patient-led education and support program for people living with chronic pain: Lessons learned - Linda Hiemstra 14h00 - 14h15 Disc degenerative disease in south africa: a case-control analysis of selected gene variants - Keenau Pearce 14h15 - 14h30 The influence of NMDA receptor antagonists on experimentally induced secondary hypersensitivity: a systematic review and meta-analysis - Gill Bedwell	Fibromyalgia: 'The way back home'
13h30 - 14h00	Ayurveda and Pain Rajen Cooppan	Assessment tools in chronic pain Nadah Karriem	Is a good death in paediatrics possible Samantha Govender		Fibromyalgia workshop will focus on formulating individualised treatment plans within a multidisciplinary framework for people living with Fibromyalgia.
14h00 - 14h30	Prolotherapy and PRP Cary Velazquez	Pain management in Immune Mediated Inflammatory Diseases Farhanah Paruk	Infant and neonatal palliative care Nicky Brown		Who should attend? All health care professionals treating or wishing to treat patients with fibromyalgia
14h30 - 15h00	Hyperbaric therapy Craig Springate	Where are we with what we inject Kamini Singh	Pain in children with Severe Neurological Impairment Jodi Wiles		Michelle King Ingrid Sellschop Roland van Rensburg
15h00 - 15h30	Refreshment Break				
Venue: Great Ilanga	Plenary: ETHICS			Chair: Julia Ambler	
15h30 - 16h30	The ethics of surgical palliation Panel discussion			Julia Ambler, Asma Salloo, Pam Gumede, Mahomed Sheik Gafoor	
16h30 - 17h30	Sex and gender disparities			Ruben Naidoo	
17h30 - 18h30	AGM				
19h00	Networking Dinner			Venue: Maharani Hotel, Tugela Room - 2 nd floor	

2024 PainSA Congress

Sunday, 19th May 2024

07h00 - 08h00	Registration		Venue: Conference 1st floor	
07h00 - 07h45	Breakfast symposium Pain management using Botulinum Toxin Speaker: Dr Pradeep Rowji		Wellness activity Morning Mindful Movement - 2 nd floor, back pool area 07h00 - 07h30	
	Sponsored by 			
Venue: Great Ilanga	Plenary: Updates on personalised paincare for people living with... Chairs: Romy Parker & Jemimah Kibirige		Venue: Suite 1	Sister Leona Thomas pain education session Chairs: Cary Velazquez & Dwayne Mohr
08h00 - 08h30	Thrombotic endothelialitis in long covid	Resia Pretorius (Virtual)	08h00 - 08h20	Pain and Culture Nozipho Dlamini
08h30 - 09h00	Trigeminal neuralgia	Doug Beere	08h20 - 08h40	Clinical aspects of postoperative pain assessment and management Radhamoney Govender
09h00 - 09h30	Updates on CRPS	Gillian Coetsee	08h40 - 09h00	Nurses Responsibility and accountability in effective pain management in children Susan Carolus
09h30 - 10h00	The evolution of chronic pelvic pain	Corina Avni	09h00 - 09h20	Preoperative pain education Gita Rajaswar
			09h20 - 09h40	Implementing a registry in a chronic pain management clinic. How nurses can make a difference? Lorraine Jantjies
			09h40 - 10h00	Spontaneous Intracranial Hypotension Headaches Salem Bobaker (Virtual)
10h00 - 10h30	Refreshment Break			

2024 PainSA Congress

10h30 - 12h00	Lectures		Workshops	
Venue	Great Ilanga	East Ilanga	Meeting Room (Ground floor)	Suite 1
	Aspects of immunology & inflammation Linda Hiemstra	Pharmacology Roland van Rensburg & Ndimiso Kheswa	Ethics workshop: Supporting self-management - An ethical imperative	Botulinum Toxin Use of botulinum toxin for headaches and muscle spasms
10h30 - 11h00	The influence of behavioural and lifestyle interventions on neuroimmunology Tory Madden	Transdermal Analgesia – Approaches and insights Roland van Rensburg	A workshop facilitating practitioner-patient interaction and understanding around self-management of persistent pain from the beginning to beyond the therapeutic relationship.	Who should attend? Medical professionals who are interested in administering botulinum toxin for these painful conditions.
11h00 - 11h30	From rock bottom to recovery: A patient's autoimmune journey Linda Hiemstra	Debate Ketamine should be used routinely as an adjunct for paediatric pain Lizee Geldenhuys & Jemimah Kibirige	Who should attend? Health care providers and people living with persistent pain	Pauline du Plessis
11h30 - 12h00	Pain, Food, Inflammation Omy Naidoo & Vonè Heyns	Debate IV vs Oral paracetamol Dwayne Mohr & Ndimiso Kheswa	Helen Roome Gavin and Bev Mare (patient-partners)	
12h00 - 13h00	Lunch Break			
Venue: Great Ilanga	Plenary: Ethics - The elephant in the room The ethics of unlicensed medication for chronic pain use			Chair: Sudha Bechan
13h00 - 13h20	Popular culture and media representation on opioids, ketamine, cannabinoids, LSD and psilocybin South African data on opioid misuse			Pauline du Plessis
13h20 - 13h45	Cannabinoids for chronic pain			Shikanth Bugwandeen
13h45 - 14h10	LSD and psilocybin for chronic nociplastic pain			Johan van der Walt
14h10 - 14h35	Popularity of budding ketamine clinics			Ruben Naidoo
14h35 - 15h00	Discussion			
15h00	Congress close
