

Maggie Corcoran

Volunteer Manager
Make-A-Wish® Alabama

After an internship with Make-A-Wish Alabama in 2013, Maggie graduated from the University of Alabama and joined the staff, where she worked as a Wish Coordinator for four years. In 2018, she transitioned to her current role as Volunteer Manager where she has the pleasure of recruiting and training volunteers on the many different roles they may have during the wish journey. Maggie also conducts the majority of the wish discovery visits during the intake process, and seeing the kids' faces light up when they talk about what they want for their wish is her favorite part of the job. When she isn't working, spending time with her husband, three children, friends, and her Golden Retriever are high on her list.
