

Blair Curcie

Wish Specialist

Make-A-Wish® Greater Virginia

Blair is a Wish Specialist with Make-A-Wish Greater Virginia. She has worked for various nonprofits and brings over ten years' experience in programs, development, and communications to GVA's Programs team.

She came to Make-A-Wish as a Mission Assistant and especially loves hearing from families all about their wish experiences. Those photos of the family all together at the celebration are so special!

When not in the office, you can find her volunteering with kids and dogs, creating a pollinator-friendly habitat at home, or hiking around beautiful Virginia.
