

Mission Moment Submissions

Calling all Mission Moments...

for the 2022 Annual Conference

We need your help! We're looking for compelling, fun, and unique wish stories; outstanding performers; individuals who can speak eloquently about their involvement in a wish; or those who have an impact-driven story to share for the upcoming Annual Conference.

The process for submitting your recommendation is easy. Simply visit <https://app.smartsheet.com/b/form/e84724159bdf4327afef559ca8914341> to complete the submission form. The more information provided in your submission - the better! The deadline for submissions is **July 29, 2022**, but we recommend that you submit your favorite stories as early as possible.

Not every story will be able to be shared at conference, given the limited opportunities available for "mission moments", but don't let that deter you from submitting your recommendation! We often refer to these submissions when future opportunities present themselves.

Reach out to Jenna Richardson at jrichardson@wish.org with any questions. We look forward to seeing your submissions!
