## Director of Development Make-A-Wish® Oregon

---

Mallory Tyler is passionate about organizations supporting the well-being of children and families. She has 14 years of experience working on collaborative fundraising teams at Oregon Health & Science University and Doernbecher Children's Hospital Foundations and The Dougy Center for Grieving Children & Families. As Director of Development for Make-A-Wish Oregon, Mallory builds the chapter's annual fundraising strategy with the goal to raise vital funds all while providing meaningful and plentiful opportunities for donors to support our mission.

Mallory brings enthusiasm, joy, integrity (and humor) to fundraising. She continuously seeks to leverage opportunities to develop long-term relationships with individual, corporate, and foundation donors. A proud graduate of Portland State University, Mallory continues her journey of curiosity and is currently learning Spanish. Mallory enjoys long walks on the beach...just kidding. She much prefers hiking in the Cascade mountains with her husband, Greg and 8-year old daughter, Willa.
