

Jenny Hortin

Director of Volunteer Services Make-A-Wish® Utah

Jenny joined Make-A-Wish Utah in 2013 after experiencing the wish process firsthand as the sibling of a wish recipient. As the Director of Volunteer Services, Jenny strives to facilitate the best experience for wish families by providing a strong, supportive, and engaging program for the volunteers.

Jenny earned her Certificate of Volunteer Administration in 2018 and enjoys continuing to learn and share best practices. On occasion, she serves as a wish granter to remain fully immersed in the program, and volunteers in the community to further expand her personal and professional circles.
