## ABOUT THE COLORADO WILDLAND FIRE CONFERENCE

**April 15-16, 2026 Fort Collins Marriott, Fort Collins, Colorado**

The Conference is geared toward professionals working proactively to improve wildfire outcomes in Colorado communities and landscapes, such as mitigation specialists, emergency managers, firefighters, researchers, foresters, developers, and policymakers. Approximately 300 attend. It is convened and hosted by Fire Adapted Colorado (FACO) every 18 months with the generous partnership of the following Planning Team members:

- Fire Adapted Colorado (Fiscal Host/Convener)
- Colorado Wildland Fire & Incident Management Academy (Coordination & Registration)
- Colorado State Forest Service
- Coalitions and Collaboratives
- Eagle County, Colorado
- IP Access International
- Southern Rockies Fire Science Network
- Vail Fire & Emergency Services, Colorado

Together, we're preparing  
Colorado for wildfire.
